

MEMORANDUM FOR MPFs/DPM

FROM: HQ ARPC/DPBB
6760 E Irvington Place #2020
Denver CO 80280-2020

SUBJECT: FY03 Air Force Reserve Line and Health Professions Captain and Lieutenant
Colonel Promotion Selection Boards - V0303B, W0303B, V0503B, W0503B,
U0503B

Attached are alphabetical listings of the Air Force Reserve officers selected or nonselected for promotion to the grade of captain and lieutenant colonel (Atchs 1 through 8). The selection boards convened in accordance with Title 10 U.S.C. and AFI 36-2504 at Headquarters Air Reserve Personnel Center (ARPC).

Public release is 12 September 2002 and was announced by DMS message. Do not inform officers of their status until public release date. Until that time, all attachments are "For Official Use Only" and may be seen only by those officials who are responsible for administrative processing of the lists. In accordance with the Privacy Act of 1974, disclosure of the select list containing Social Security Numbers (SSNs) without the consent of all individuals on the list is an invasion of privacy. As a result, even though the "For Official Use Only" designation on the select lists may be deleted on the public release date, the lists cannot be publicly released unless the SSNs are removed. The nonselect list is provided to permit full accounting for all eligibles by the MPF. **Do not display or release a nonselect list at any time.**

Military Personnel Flights (MPFs) will furnish unit commanders the names of their officers selected and nonselected for promotion prior to the public release date. Commanders must continue to evaluate officers and ensure propriety of promotion. If it becomes appropriate to involuntarily delay an officer's promotion or to remove an officer's name from a select list, comply with AFI 36-2504 chapter 7. Such actions must be initiated prior to effective date of promotion. At the discretion of the selected officer, the immediate commander of officers selected for promotion will advise the officer's employer of his or her selection for promotion (AFI 36-2504, para 5.7).

The Date of Rank (DOR) and Promotion Effective Date (PED) for officers selected from the mandatory board will be the date the officers complete the required time in grade (TIG) or 1 October 2002, whichever is later, as listed below:

RANK	TIG
Captain	2
Lieutenant Colonel	7

USAFR lieutenant colonel selectees may receive accelerated promotion if they satisfy the eligibility requirements and their commander completes a letter requesting accelerated promotion

(AFI 36-2504, Atch 5). The letter must contain a recommended DOR which is no earlier than Presidential approval or public release whichever is later. The commander will send the letter to the officer's senior rater for endorsement who will then forward the request to HQ ARPC/DPBA to arrive not later than 2 business days before the proposed DOR. Accelerated promotions are not authorized for promotions to the grade of captain in the USAFR.

Accelerated promotion requirements are the same as position vacancy (PV) which must include:

Have an outstanding record with at least 50 points during the last full Retirement and Retention (R/R) year.

Be in a valid higher grade reserve position in the nominee's Duty Air Force Specialty Code which satisfies the position vacancy criteria of a valid vacancy.

Accelerated promotions are effective upon the date designated by the senior rater, unless the officer does not meet the requirements above. If HQ ARPC/DPBA determines the officer is not qualified for accelerated promotion, the senior rater will be notified.

Accelerated promotions are not authorized for promotions to the grade of captain in the USAFR.

Attachment 7 to this letter reflects those officers selected for PV promotion. The PED and DOR for PV selectees will be the date the officers complete the required TIG, public release or Presidential approval, whichever is later as listed below.

Rank	TIG
Lieutenant Colonel	4

For the PV promotion to be effective, officers must be assigned to the position for which recommended. Selectees not in the position for which recommended will be removed from the select list.

If an officer's promotion is not withheld, an officer selected for promotion is considered to have accepted the promotion on the PED unless the officer expressly declines the promotion. An officer must submit a declination statement IAW AFI 36-2504, chapter 8 no later than 2400 on the day before the PED. Should delay of promotion be appropriate, see AFI 36-2504, chapter 8.

Orders announcing the promotion will be published and distributed in accordance with AFI 36-2504, para 5.12. HQ ARPC/DPBA will publish promotion orders for LEAD officers selected by RASL promotion boards. No other order is required for LEAD officers to assume the higher grade. LEAD officers, promoted by RASL promotion boards, do not have reserve higher-graded position restrictions that could prevent pin-on. Requests for missing orders should be addressed to HQ ARPC/DPSS.

Officers not selected for promotion by the mandatory board are considered “to have failed of selection for promotion” as defined by Title 10 U.S.C. Sec 14501. Officers who have failed of selection from these boards are listed at Attachments 2, 3, 5 and 6. Attachment 8 identifies officers nonselected for position vacancy. An officer considered for PV and not selected shall not be considered to have failed selection for promotion IAW Title 10, U.S.C. 14315 (d).

First-time nonselected Air Force Reserve officers will be advised by letter from this headquarters in addition to the notification by their immediate commander.

Officers twice deferred will be notified of their nonselection and receive a mandatory separation date effective the first day of the seventh month after the month the President approved the results of the promotion board.

Attachment 9 is a listing of all officers who served on the board and Attachment 10 is a statistical summary of board results. In support of the initiative to use the Oath of Office as an option during an officer's pin-on ceremony, a copy is provided at Attachment 11.

The code listed in the PC (promotion category) column on the select and nonselect lists is defined as follows:

A	LINE	N	NURSE CORPS
D	DENTAL CORPS	S	MEDICAL SERVICE CORPS
M	MEDICAL CORPS	W	BIOMEDICAL SCIENCE CORPS
